Sir,

I have the honour to state that the Chairman, National Service Labour Tribunal, Madras, has informed me that as many candidates have not come forward from the Mysore State to be trained as War Technicians, he has not been able to fill up the vacancies in this Institution by allotting candidates. As he desires that vacancies in the State Institutions should as far as possible be filled up by State Candidates, he has requested me to request the Government of Mysore to give wide publicity to the selection of War Technicians and select candidates to fill up the vacancies. I therefore request you to kindly arrange to publish the advertisement given below:-
